Dearest Gwen,

So glad to have your letter. I have been away in Phila & New York. I am having such a festive visit - too much so - too many dinners &c, but it is very nice to see all my old friends. I come up on Wednesday week to say good bye to Mother before sailing on the Saturday. (Feb 9th)?

I enclose Oct. cheque - so horrid to have overlooked it - always remind me when I forget but I do not often!

Love to Mother I am so glad to hear that she is better

Your loving

W.
