Dear Camac (of Counsels & Ideals)

Your announcement of a new impression is most satisfactory. I am so glad the type was not distributed. Miss H. says there are several misprints - she will send memo. I leave for Toronto tomorrow eve & return to New York Friday. I will call sometime thro the day. I doubt if I can join you at lunch or dinner. I have two people coming from Montreal to see me & I have a number of people to see. I will let you know.

Love to Mrs. Camac

Yours as

W.O.
