

I am off at 10 by *Campania*

Saturday 8 am.

University Club
Fifth Avenue & 54th Street

Dear White

I was so sorry to miss you the other day when I was in Phila. I had to leave by the early train next morning. I hope you are in good condition. I am sure it looks most hopeful & you should feel much encouraged. It was very nice to see you both again. We hope to have you with us next summer if we get our house.

With love to Mrs. White

Ever yours

W^m Osler
