Dr. C. P. Howard

Dear Campbell:-

How are you - where are you - what are you doing - where have you been - why don't you give an account of yourself? You may expect me, with Gibson on Sunday the 22nd. We shall leave here on the Thursday and spend a couple of days at Marburg. I want to see Aschoff's heart preparations.

It might be well for you, in a few days, to go to the Four Seasons Hotel and secure two single rooms for us. One more thing - please look in a bookshop, or ask somebody, for a small manual of anatomy in German - something that would be useful for a fellow to work at with his human anatomy.

We are having a very peaceful time.

Ever yours,

W. Osler.
