Dear Mrs. Parfitt

I am so distressed to hear that Charles is seriously ill -  
how sad for you both! and he had made such a good fight and deserves to  
get quite well. He may improve gradually. Do let me hear how he is.  
Write to Baltimore where I shall be (care of Dr. Thayer) about the 10th  
of Dec. We shall be in Toronto on the 14th for my mother's birthday.

With sincere sympathy in all your worries

Faithfully yours,

Wm. Osler.
