Dear Barker:

I heard from Krehl this morning that, as he goes to Heidelberg at Easter to succeed Erb, it will be quite impossible for him to go out to America as he had hoped. We shall have to do the best we can without him, and I think the arrangements already proposed had better hold. I will take about twenty minutes with a sort of historical introduction.

We sail two weeks from to-day and I think we shall come down to Baltimore on the Friday after arriving. Howell tells me that he thinks of having the Marburg collection presented on the Saturday evening, which would suit me very well.

I hope by this time you are arthritically mobile.

Sincerely yours,

W^m Osler

P.S. I have written to the other men.

Love to the family.
