

(1907) Centenary of Mrs. Osler senr.

From W. O.  
To Dr. Adami

(Letter Script).

Craigleigh,  
Rosedale.

Saturday. <sup>Dec 15</sup> (1907)?

Dear Adami,

Thanks for your kind invitation\* but Mrs. Osler feels that we shall be freer at the Hotel. Tom will float about and is looking forward to a visit to his old chum Gordon Sherriest

Shipley would make an ideal president+ but I hear they have strong feelings against a Britisher I have not seen anyone yet. We had a great gathering yesterday. Mother stood the visitors wonderfully, is extraordinarily bright, and full of interest in everything.

Thank L.M.C. for his <sup>her?</sup> kind invitation, I wish we could be with you.

Yours sincerely,

Wm. Osler.

\*To put up with us

+ Evidently I had suggested Shipley as president of Toronto University. a post which had been offered to Osler and refused by him to the surprise and indignation of Ontario!
