Dear Blumer:

I am so glad to hear from you. It was nice, too, to hear from the boys that you were getting a grip on the Nutmeg State. I do hope you will be able to have the hospital matters settled. That is a remarkable case you mention. In spleno-tuberculous cases of polycythemia the organ has been greatly enlarged.

We are busy getting settled in our new house. I shall be out in the Spring at the Congress.

Sincerely yours,

W<sup>m</sup> Osler.
