

CUS417/105.29

(Dr. J. A. Nixon, Bristol)

(Post-card)

Postmarked: Oxford,
March 1, 1907.

Yes, the Cannones[?] is 1471 which must be one of the first of the dated. Medical books My Nicolaus[?] is 1470 - an old School of Salerno~~was~~-book. Why not work up Mesuë & come next term or next winter & give us a paper here.

W. O.

(over?)
Looking^(over?) your address I see you have written on sclerodermia & atrophy of muscles. Have you a reprint? I am interested in the subject.
