Cunard R.M.S. "Lucania".

Dear Barker

Many thanks for your kind invitation to stay with you, but I am promised to the Cushings. I am due Sunday week. My visit will be rather brief as I must be back May 20th. Ritche our Prof of Path. has left & we settle upon his successor in a few weeks. So glad to hear that the chicks are well. Love to Mrs. B & Cole

Yours ever
W^m Osler
