

(Handwriting)

(Dr. John W. Churchman)

U.S.M.S. "New York"

[May 11+, 1907]

Dear Von C.

So sorry to have been so driven as not to see you again. Please do the section on Treatment & take plenty of space for it. Give your MSS to McCrae I will ask him to let you see my section on the visceral lesions. We can dovetail in the sections very well.

Your name will of course go with mine in the article. That prospectus was printed months ago.

Yours &c

W^m Osler

(In regard to Chapter on Syphilis for W.O.'s System)
