Oxford.

(Mr. Henry Phipps)

June 18th, 1907.

Dear Mr. Phipps:

I wrote to you last week to America, thanking you for your very liberal donation for the new clinical laboratory. It was really most kind of you. I hope we may see you and Mrs. Phipps here during the Pageant. Mrs. Osler has written.

With kindest regards to Mrs. Phipps and to your son Jay,

Sincerely yours,

Wm. Osler.
