(To Dr. John W. Churchman)

(Undated - postmarked Oxford,
June 14, 1907)

Dear Curschmann*

I send my section by Febiger of Lea Bros today.

? Will you fill in (1) No of Autopsies at J.H.H. in which lung syphilis occurred. (2) See in our clinical index how many cases of syphilis of the liver were diagnosed as such in the medical wards. (3) See how many cases of gumma & scars were in the Post-mortem records of the Hospital
