Dear Mabel

I hope all goes well with you and ?. Do send a line to say how you are. I am a little worried lest you should have been ill again. Ask R. B. to send word. / We have had such a busy summer, so many people coming & going. I sent you a paper with an account of the ~~Excursion~~ ^{Excursion} & the reception to Mark Twain and Kipling. The latter stopped with us - such a jolly fellow, so full of fun and with an extraordinary interest in everything. Mrs. K. is very bright, and we fell in love with them both. Mark Twain was most enthusiastic about Kipling. It was delightful to hear them joking together. Our garden is thriving. Mrs. Osler has just come in with a huge armful of sweet-peas, and our roses are - for the first year - splendid. After months of winter we have had a week of bright sunshine;

Reveres school is over today. He lives such a happy life and is becoming an A.I. cricketer. We go to Scotland for a month - to Colonsay I hope & for ten days to Glen ? with Mr. Phipps.

I am sending today Jowetts introduction to Plato - ^{much} ~~many~~ of which will interest you/
Love to R.B. & all your family

Affectionately yours,

WM OSLER
