Mr. Bow of Ladies Home Journal
has been trying to get order books
a paper article among the in fact
and that he needed the money he
felt that it would be more understand
when English Colleges - refused.

The address he gave ^{for} day Aberdeen
was published in Delant's Cause
against tuberculosis & not represented
whereas some so called literary
books of New York disavowed the
fact - took the advice to the
Ladies Home Companion ^{where it}
appeared in a leading article must
which was for law the books to agree
to the ownership of Bow Perry

of this does not appear and the
never know the in evidence

Dr. Cole never makes his friends
(Sir) James Mackenzie & name should have been
are over all the earlier steps but apparently some
other object, in the larger list.
