From the Regius Professor of Medicine, Oxford.

Jan. 31st, 1908.

Dear Cullen:-

Tell Wentz that the Journal is published by the Clarendon Press and issued in America from the Oxford University Press on 5th Ave., New York.

I was so glad to hear from you. I am glad to see that the building fund is growing. It will be splendid for the profession to get into a nice, new home. Perhaps we could have the corner stone laid when I am out in October.

Sincerely yours,
