Dear Norton:-

I have written at once to Mr. Hutchison asking him if he could supply the missing parts. I daresay he will be able to do so. We have the Archives of Surgery - have we not? Ask Miss Blogg to look over the new Sydenham Society's list. I think Mr. Hutchison will be able to give us any missing volumes, as the Society is now to be discontinued.

I hope everything goes smoothly with you. Give my love to all the boys.

Sincerely yours,

Wm. Osler
