September

Dear Shepherd,

I would like so much to see Francis incorporated M.D. ad <sup>Ernestum?</sup> ~~Ernestum~~ at  
McGill - if it is possible. It used to be done and he has had an equivalent  
training B.A. & M.D. at the Hopkins. I am off Oct. 1st to Paris where I  
shall spend 3 mos & then on to Italy. I am going to knock about the clinics  
and Libraries. Why not come over in the Spring & join us? Love to the  
girls.

Yours sincerely

W<sup>m</sup> Osler
