Dr. Helmer

Eveline

9th

My

44 Ave d'Jena

Yes it was the Duke of Suffolk who founded the old ^{Eveline} Hospital in 1440(?). We have all the records and I hope to show you them some day. The farm records go back to 1360. The story of the Duke is given in Shakespere's Henry VI pt ii.

Yours

Love to the family

W. O.
