

~~Dr.~~ Melville Hanna of Cleveland.

(handwriting)

44 Ave D'Jena  
Paris  
26th (Nov. 1908)

Dear Dr. Hanna

Kind man! That laboratory will be most helpful, & it is so nice to see that it has been given as a testimony to the worth of Dr. Kirke Cushing I am off for a six month's holiday in the University towns of France & Italy

Sincerely yours

Wm Osler

*The H.K. Cushing Laboratory at Western Reserve.*
