

(Letter to Adam H. Wright, M.D.)
(typewritten)

Oct. 19th, 09.

13, NORHAM GARDENS,
OXFORD.

Dear Wright,

So glad to hear that you have got your dues, and are President of the C.M.A. I wish I could get out in time, but there is no possibility as I cannot get away until the end of July or the beginning of August. We have the B.M.A. in London this year.

Love to the family.

Sincerely yours,
WM OSLER

opened the Am. Ambassador Whitton Reid, who introduced me saying he was
"an excellent example of what America could do with a Canadian when he was kept young"
I almost spoke in my notes (44)
