From the Regius Professor of Medicine, Oxford.

Jan. 25th. 10

Dear Harry T.-

Guillain writes from Paris that Mistichelli's book is not in the libraries. I have written to Bastianelli who will probably know of it, and who will be able to get the reference. I am having the pages and plates photographed for you from Petit.

After squirming about for a week I got rid of my calculus and am now very comfortable.

Sincerely yours,

(Signed)

Wm. Osler
