(To Leonard L. Mackall)

FROM THE REGIUS PROFESSOR OF MEDICINE OXFORD.

Jan. 31st, 1910.

Dear Mackall:

I enclose you Mrs. Max-Müller's letter, by which you see that she has no knowledge whatever of this. I will try to look up the other thing, but it is difficult to say exactly what the journal would be. The Lancet was not published as far back as 1815.

Sincerely yours,

W<sup>m</sup> Osler
