to H.B. Jacobs ?

Feb. 18th, 1910.

I am sending you a copy of Erasmus Collogues - delicious reading.

Should you have a copy, hand it over to Tom MacC.

We motored to Winchester on Sunday to see R. who is so happy there.

Splendid school and such nice boys in his house.

So glad to see the B. & J. Club is prospering. When do you sail?

Send your itinerary. I may be able to join you after the Congress of Internal Med., Wiesbaden, end of April.

Love to Mrs. Jacobs.

W.O.
