(To Leonard L. Mackall)

FROM THE REGIUS PROFESSOR OF MEDICINE OXFORD.

April 5, 1910.

Dear Mackall:

Many thanks indeed for the pamphlets, it is most kind of you.

Do let me know if you come to England this summer. It would be a great pleasure to see you here.

I have that copy of Gesner which is a very interesting one. He was an extraordinary character, it is remarkable that he should have been able to get through such a volume of work before his forty-fifth year.

Sincerely yours,

W^m Osler
