(To Dr. T. R. Boggs, J.H.H.)

FROM THE REGIUS PROFESSOR OF MEDICINE, OXFORD.

May 17th, 1910.

Dear Boggs:

Many thanks. I shall be glad to have the reports as I want to get out a reprint of my 'Syphilis and Aneurysm' paper, and I am a little doubtful about the statistics.

So glad to hear that the Reunion was a success; the cable was a great pleasure.

I will take the opportunity of sending back your pin possibly by Wiel.

It is nice to hear from McCrae that he is quite well again.
Love to all in the Hospital.

Sincerely yours,

Wm Osler
