

13 Norham Gardens, Oxford,

July 15th, 10.

Dear Jacobs;

I went to the British Museum the other day and saw the Vesalius picture which is very interesting and unlike any of the others. Unfortunately they have no indication of its source, except that it came from the Sloan Collection. I looked up the old man's MS catalogue, and there was a note of interrogation after the word Vesalius, as if he was a little doubtful.

I hope you have had a good passage, and are comfortably settled for the summer.

With love to Mrs. Jacobs,

Sincerely yours,

Wm. Osler.
