Dear Thayer:

I hope Sister Susan is all right again, and that you are both going away for a good holiday. Send me a line to c/o Mrs. McCagg, Murray Bay, about your plans. We sail on the 29th. I may have to return with Mrs. Osler on the 6th of September; Winchester School opens on the 16th, and I have had a few lithogenous twinges again, and it might be wise to go to Contrexeville; this will cut off my proposed early week in October with you all, much to my grief.

Love to Sister Susan,

Sincerely yours,

Wm. Osler.
