

13, Norham Gardens, Oxford.

July 26th, 10.

Dear Pratt,

So glad to hear from you.

We sail on the 29th to Quebec. I hope to be in Boston the last week in August, and will call you up at once.

I am glad you liked the lectures. I forgot to write to you about the kidney colic, which was not a very pleasant experience.

Love to Rosamund.

Ever yours,

Wm Osler

(C.G.P.)

July 26

4th - Annual meeting of the Med. Library Association. W. Osler, President, held the Royal Coll. of Surgeons at the 27th opening meeting in the Old College of Surgeons, South Kensington.

Osler made brief speech in support of library cooperation.

On the 28th in the session Mrs. Plam of the R.C.S. presiding

Preslow, Asst. Librarian of R.C.P. gave address, points out success of American Assocⁿ & recommends some that to say. W. Osler must have jumped her fall.
