

(Letter to Edward Milburn, Esq.)  
(typewritten)

July 27th, 10.

13, NORHAM GARDENS,  
OXFORD

Dear Ned,

We are sailing on Saturday by the Empress of Ireland. I shall have to cut my visit rather short, as I may have to return by way of New York early in September. I will let you know if I can stop over in Belleville, I hope of course to be able to do so.

I have not got a reprint of that article I am sorry to say; I may have them later.

Sincerely yours,  
WM OSLER
