Dear Campbell:

The more I think of it the better I am pleased with the Iowa prospect. There will be many small worries and difficulties but you can do a good bit of work and stir up matters medical in that region. I leave here next Sunday eve and will bring my things to your house. If Sheppherd is at *Como* I shall spend the night there. I go on to *Toronto* on Tuesday eve. We can have time for a good talk. There are a number of things to go over

I hope you and Ike have had a good time. It is most kind of you to have given him this great pleasure.

Ever yours,

W.O.
