

The Glades.

25th,

(August 25th, 1910)

Dear Jacobs:-

I will come to you on Thursday the 1st from Boston, & go to N.Y. by the Friday eve boat. I have had a busy time - seeing the families. I had three days in Baltimore. Marjorie Fletcher is splendid - waiting for the twins & in such good form. She weighs 159 lbs! She is a trump - such a wholesome woman. T.B.F. is beaming. I saw W.S.T. & T.Mc. How the town is booming.

Hot as Hades here - S.W. blowing, flies & mosquitoes galore.

Love to Mrs. Jacobs.

Yours ever,

Wm. Osler.
