Dear Ogden,

I was sorry to see in the 'Sun' the other day the death of your father.  
My sympathy with you and your good mother. I daresay he was glad to go.

We had a short trip this summer, only a few weeks, to Canada and the States, as Revere had to go back by the 15th to Winchester.

I heard very good accounts of you and your family from a Milwaukee lady the other day, whose name I have forgotten.

Mrs. Osler joins me in love and best wishes.

Sincerely yours,  
W<sup>m</sup> Osler
