

CUS417/110.50

From the Regius Professor of Medicine,  
Oxford.

Oct. 13th, 10.

Letter (Typewritten)

Dear Archie,

I am passing on to you a very useful medical dictionary sent to me by Dr. Comrie. There is a great deal of good stuff in it, and it will serve you as an occasional refresher. Keep an eye on Harry Wright please and Gillies, to both of whom give my best wishes.

Sincerely yours,  
Wm. Osler.
