Dear Harry T.-

I am so pleased to hear that you are the President of the Association this year. I think the idea of a contrast between 1811 and 1911 would be an admirable subject for your discussion. Let me know if I can be of any help. I will keep the matter in mind and let you know should I see or hear of anything bearing on it.

I am very distressed to hear that Mary Worthington has had attacks of rheumatism; I am afraid the outlook is not very satisfactory. Give her my best wishes.

What fun for Trudeau to go to the big school! He will enjoy it very much.

Is there any prospect of Hal taking a Rhodes Scholarship? It is nice to hear that Trudeau, Sr. is a bit better.

With love to the family,

Sincerely yours,
