

(Letter to Dr. Adolf Meyer)

Nov. 22nd, 10.

A reply to his urging the choice of
Campbell for the Supt!ency of Hospt., London.

From the Regius Professor of Medicine, Oxford.

Dear Meyer,

I have written at once to Savage, who is one of my oldest friends,
about Campbell, putting the case strongly. The London condition is very
peculiar, and I am afraid they are not likely to appoint a very progressive man.

I am sure you will be very happy in Baltimore; but it must be a weary wait for
your clinic.

With kindest regards to Mrs. Meyer.

Sincerely yours,

WM. OSLER.
