(To Hon. Whitelaw Reid)

FROM THE REGIUS PROFESSOR OF MEDICINE, OXFORD. Nov. 23rd, 1910.

Dear Ambassador:

If you are coming to Oxford on Saturday next for the meeting of the electors to the Lectureship on American History, would you give me the pleasure of your company at lunch? If you let me know by what train you are coming I will meet you. The establishment of this lectureship will do a great deal of good.

Sincerely yours,

W<sup>m</sup> Osler
