

Fr. W.O. to Spencer Honeyman, Librarian, B.M.A.

(Typewritten)

Oxford,
December 15, 1910.

Dear Honeyman,

I do not think there is any chance of getting the Lister volumes as a gift. I would not care to ask personally because we are likely to have a very heavy loss in the publication. The profession has not bought the work as we had hoped. Just mention this please to the Library Committee.

I will write again to Montreal about the volumes, the C. M. & S.Jr.*

With kind regards,

Sincerely yours,

WM OSLER.
