

(Card to Sir John W. Moore)

Dublin.

(handwriting)

OXFORD

1st

1911

Dear Moore.

Is there Typhus in Dublin at present? Dr. Brill of New York is here (Hyde Park Hotel) & is very anxious to see cases. You may remember that he has described a curious disease with some of the features of T. Drop him a line please. Many thanks for your kind congratulations.

Sincerely yours,

WM OSLER
