Dear Jacobs:-

I am delighted with the Thomas Love Peacock book, which came to-day; there is so much^{of} interest in it about Shelley, and it is superbly printed and gotten up. Thank you so much. I do not believe I thanked you either for the book of charming essays; he has a fine style.

I am off to Egypt about Feb. 1st. Miss Woolley is coming over to stay with Mrs. Osler while I am away. I will keep you on my track by post cards.

Love to Mrs. Jacobs,

Ever yours,

Wm. Osler.
