Dr. W.O. to J. George Adami, 1911.

(Typewritten).

13, Norham Gardens,
Oxford.

January 26, 1911.

Dear Adami,

It is too bad about Francis, but in the long run it may be the best thing that ever happened to him. It evidently is not a very bad attack, and it may help him into Institution work, for which he is much more adapted than for practice.

You have had a pretty good half century; life does not owe you very much!

How delightful it is that Shipley got the Mastership.
Love to all at home.

Sincerely yours,
WM OSLER.

I am off to Egypt with E.B.O.
