Dear Mr. Phipps,

Thank you so much for your kind cable, and for the cheque. I have not yet seen the book, in fact I have not seen my brief introduction in print. I went away to Egypt just after it was finished.

Could you give me the pleasure of your company at dinner at the Athenaeum Club, at 8 o'clock, Thursday the 29th to meet Professor Müller of Munich?

It will be very nice to see you and Mrs. Phipps again.

Sincerely yours,

W^m Osler
