Dear Miss Noyes

I am so delighted to hear of the Ellis bequest. I knew years ago of his intention. He was a good soul. I hope you will get the money soon. I will hear from Dr. Jacobs who comes to England tomorrow. I have got a little treasure for you in the shape of a Laennec letter - in which he refers to Baltimore. How is Miss Nicholls. I have not heard from her for months. I wish she could get some good berth.

They have been putting a baronetcy on me - much to the embarrassment of my democratic simplicity, but it does not seem to make any difference in my internal sensations. I do hope you will get a good holiday - You need it I am sure - & deserve it - I am sure.

Ever yours sincerely
W^m Osler
