

CUS417/112.6

(Typewritten)

13, Norham Gardens, Oxford.

July 8th, 1911.

Dear Mr. Phipps,

I am perfectly enchanted with the beautiful volumes you sent. I never saw a finer piece of binding; I shall treasure them very warmly. It is so good of you to have given me this beautiful present.

I hope to call and see Mrs. Phipps one day next week. I am unusually busy just at present, with meetings and two or three conferences here.

Sincerely yours,

I am returning Vol. 1
