Dear Parfitt,

Thank you so much for the photographs which are so nice, and give one a good idea of the place. I think I did write thanking you for the portrait of Mrs. Parfitt and Patricia. The man will send another copy of the chromo which I hope you will like. In fact I do not know that a copy was ever sent, as I have just had a letter from him to say that he had had difficulty in getting the proper india paper, and had not yet sent them all.

With love to all three,

Sincerely yours,

Wm. Osler.
