Dear Ned

I hope you have all had a good summer. I do not believe I ever answered your kind letter of congratulations? put it aside with the special ones. There were over 1000 letters & telegrams of course we were greatly pleased. These things go for much over here, tho, personally I have never cared much. I have had more than my share a good deal. I do not know how or why I got it. We have had a month here in N Wales in a lovely valley - so fresh and green. The Thames valley is burnt brown - 53 days of continuous sunshine - an unheard of thing in England. I am not coming out this year - my holiday in Egypt has to count. I shall get away next year. Did you get the Fletcher & Kipling history of England. I thought you would be interested in it. My boy is thriving - bigger than I am now. He is no student, but a good lad and no trouble. Love to all at home.

Ever yours
W.O.
