Dear Harry T.-

Thank you so much for the note. I am writing to Mrs. Worthington to your care, as I do not know her New York address. It will be a terrible grief to her. Do not bother about the text-book; I will get you to glance an eye at any new sections. I have slipped in a good many small bits here and there, chiefly taken from the System.

With love to you all,

Sincerely yours,

(Signed)
