CUS417/113.54
(Dr. W. S. Thayer)

Garnes

(April 21, 1912)

Here for a few days with the Jacobs on my way home from Rome. Congress not up to much, very badly organized. Mrs. Murray, Ezra Thayer's sister-in-law, tells me you have declined Harvard. It must have been a great temptation. Revere is O.K. Love to Sister Susan.

W.O.
