

CUS417/113.67

(Dr. J. A. Nixon, Bristol, Eng)

From the Regius Professor of Medicine, Oxford.

29th May, 1913.

Dear Nixon:

That was a very interesting talk of yours.

What about the Dover tablet? Did you get an estimate, or was I to get one? I wish you would, as I am awfully hard pressed with arrears. Fergusson has just written saying how sorry he was not to be with us.

Sincerely yours,

W^m Osler.
