Oxford, 25th June 1912

(AC. (Cebs) I have written kook asking Fock to name the lowest possible figure for the Pagel collection and then I could cable to Baltimore about it. I hope to have a reply today or tomorrow.

Send me the titles of the Servetus pamphlets, of which I have a number. I have the Mosheim you refer to, and also his "Historia", but there is a larger book of his which I lack.

The first edition of the "Hudibras" was in 1726.

I have a "Religio Jurisprudentis" and several others of the Religios, but not the "Jurisconsulti" and several others of the Religios, but not the "Jurisconsulti" and several others of the Religios, but not the "Jurisconsulti" and several others of the Religios, but not the "Jurisconsulti" and several others of the Religios, but not the "Jurisconsulti" and several others of the Religios, but not the "Jurisconsulti" and several others of the Religios, but not the "Jurisconsulti" and several others of the Religios, but not the "Jurisconsulti" and several others of the Religios, but not the "Jurisconsulti" and several others of the Religios, but not the "Jurisconsulti" and several others of the Religios, but not the "Jurisconsulti" and several others of the Religios, but not the "Jurisconsulti" and several others of the Religios, but not the "Jurisconsulti" and several others of the Religios, but not the "Jurisconsulti" and several others of the Religios, but not the "Jurisconsulti" and several others of the Religios, but not the "Jurisconsulti" and several others of the Religios, but not the "Jurisconsulti" and several others of the Religios, but not the "Jurisconsulti" and several others of the Religios, but not the "Jurisconsulti" and several others of the Religios, but not the "Jurisconsulti" and several others of the Religios, but not the "Jurisconsulti" and several others of the Religios, but not the "Jurisconsulti" and several others of the Religios, but not the "Jurisconsulti" and several others of the Religios and the Religio

Send me a list please of the Servetus pamphlets. I have been going over the Pagel catalogue again, and there are a lot of very good items, particularily the German ones. Many thanks.
